From the cartoon given above, we can observe that there are many people on a bus. When seeing an elderly man entering the bus, the old man near the seat just stands up instantly, says “ please have a seat here” and offers his seat to the elderly one. However, all the other people around, young and healthy, show no intention of giving seats to the old and infirm man.

The cartoon aims at informing us of the phenomenon of the gradual loss of social morality. Quite a few people today are selfish and egocentric. When putting self-interest first, they tend to overlook others' benefit or feelings and become nonchalant. Moreover, this phenomenon can also be attributed to people's concern that their social morality, which can be best expressed through kindness, hospitality and warm-hearted behaviors, will sometimes invite unnecessary trouble.

However, no one can deny the importance of social morality. It is conducive to the harmony of society, people equipped with the awareness of social morality are more likely to provide others with a helping hand,

endeavor to abide by social orders and curb their undesirable behaviors. Confronted with the inexorable decline in the emphasis on social ethics, we should adopt some measures to reverse the current situation.

根据上面所给的这幅漫画，我们看到有很多人在公交车上。当看到有个老者正进入车子，一旁的老人马上站了起来，并说：“请坐我的位置”然后把座位让了出来。然而，周围其余的所有人，他们年轻而且健康，却没有显示出任何想要给这位年长且虚弱的老人让位的想法。

这幅漫画旨在告诉我们一个现象，关于社会公德的逐渐缺失。现在相当多的人都很自私，以自我为中心。而当把自己的个人利益放在首位的时候，他们往往就会忽略别人的利益和感受并且变得冷漠。再者，这个现象也可以归因于人们的某种担心，他们担心通过友善、热忱和热心的行为而得到良好展示的社会公德心，有些时候反倒会给他们带来不必要的麻烦。

然而，没有人可以忽略社会公德的重要性。它有利于社会和谐，拥有社会公德意识的人们更有可能为别人提供援助之手，努力地遵守社会规则并且约束自己的不良行为。面对对社会公德的重要性的不可抑制的下滑，政府应该开展大规模的教育运动来营造出一种尊重社会公德的氛围。与此同时，我们自己也应该提高意识。

From the cartoon given above, we can observe that there are two people watching Peking Opera. With the actress performing vividly on the stage, the old man is watching attentively. However, the little boy sitting beside does not even cast a glance at the actress and falls asleep. It is obvious that he shows no interest in Peking Opera.

The cartoon reflects an interesting and usual respect for daily life. However, from a deeper perspective, it also reveals the gradual loss of traditional culture in modern society. What exactly contributes to this phenomenon? Possible reasons could be listed as follows: For one thing, quite a few people, especially youngsters, hold that Chinese traditional culture is outdated and of little use in modern society. Perhaps, from their perspective, traditional culture from the distant past can hardly adapt to or keep pace with the ever-changing new world. Moreover, exotic cultures, to some extent, have also posed a great challenge to the traditional culture of China. As we can see, a large body of people have been attracted by foreign cultures which feature diversity, novelty and richness — crazy fans of foreign TV programs,

electronic products or even ways of life abound in our daily lives.

However, no one can deny the significance of Chinese traditional culture. It is the crystallization of Chinese wisdom and civilization. An individual or nation showing no respect for the essence of traditional culture cannot be expected to develop and be stronger. Hence, something could and should be done to reverse the inexorable decline in the emphasis on Chinese traditional culture. (263)

如上图所示，我们可以看到有两个人正在看京剧。当女演员生动地在舞台上表演，老者专心致志地看着。然而，坐在边上的小男孩甚至都没有瞥一眼女演员并且睡着了。很明显，他对京剧没有什么兴趣。

这幅图画反应了日常生活中有趣而又平常的一面。然而，从更为深层的角度来看，它也揭示了现代社会中的传统文化的流失。是什么导致了这个现象？是什么导致了这个现象？可能的理由可以罗列如下：首先，相当多的人，尤其是年轻人，认为中国传统文化在现代社会中过时而且没有什么用了。也许，在他们看来，来自遥远的过去的传统文化几乎是不能适应和跟得上持续变化的新世界的。再者，外来文化也在某种程度上对传统文化造成了巨大的威胁。正如我们所能看见的，相当多的人已经被以多样性、新颖性和丰富性为特征的国外

文化吸引了 一 对国外电视节目，电子产品甚至是生活方式狂热的粉丝在我们生活中比比皆是。

然而，没有人可以否认传统文化的重要性。它是中国智慧和文明的结晶。一个不尊重传统文化的精髓的民族和个人是无法发展和强大的。因此，我们可以也应该做一些事情，来扭转现在人们对中国传统文化的重视的不可遏制的下降。
